Monosphere Software Solutions

High-performance apps for startups — built faster, shipped smarter.

WHO WE ARE

We help US startups launch MVPs in 12–16 weeks — leaner and faster than traditional agencies. Based in the Philippines, we combine Silicon Valley–grade expertise with startup-friendly pricing.

WHAT WE DO

- Startup MVP Development (mobile + web)
- Marketplace & Matching Platforms
- POS & Rewards Apps
- Cloud & Backend Development (AWS, GCP, Firebase)
- App Rescue & Technical Audits
- Maintenance & Retainers

CASE STUDIES

POS + Rewards App

Checkout
38% faster

Repeat visits
+22%

Conversion
+31% after UX overhaul

Fitness App

Crash rate
−45%

Release cadence
2× with CI/CD

PRICING (USD)

MVP Package

$25,000 – $40,000

12–16 weeks

- Mobile + web MVP
- Design, build, deploy
- Tracking & analytics

App Rescue & Audit

$3,000 – $5,000

2–3 weeks

- Codebase audit
- Performance & stability fixes
- Rescue roadmap

Monthly Retainer

$2,000 – $4,000/month

Maintenance, updates, scaling

- Features & experiments
- Monitoring & support
- Ongoing optimization

WHY WORK WITH US

- 50–70% more affordable than US agencies
- Proven track record with startups across industries
- Fast, mobile-first development (Flutter/React Native)
- Transparent milestones & deliverables
- Long-term support & scaling options

LET'S TALK
